

Follow these advice

- to prevent infection with new corona virus

- Do not stay on site outside the courts. You are allowed to go to the toilet.
- Arrive no earlier than 5 minutes before start time.
- Keep your distance and remember good hand hygiene.
- Leave the court 5 minutes before your reservation ends.
- Avoid physical contact with other players and their equipment.
- Play with 2 or more sets of balls, so only one player touches each set of balls, or sanitize your hands frequently during play.
- No more than 10 people on court at a time.
- Minimize contact with benches, the net and other stuff on and outside the courts.
- Use disposable gloves or hand sanitizer when sweeping or watering the courts.
